

WHAT IS A BROWNFIELD SITE?

Join us on **Wednesday, July 1st,**
3:00pm to 7:30pm at **Eagle Town Hall**
(200 Broadway) to learn how cleaning-up & redeveloping vacant & underutilized sites in the Town of Eagle can help to improve the local economy & enhance the community.

FOR MORE INFORMATION:

Matt Farrar, Assistant Town Planner,
Town of Eagle
970.328.9651
matt.farrar@townofeagle.org

The Town of Eagle, with the Colorado Brownfields Partnership, an initiative of the Sonoran Institute, is in the process of evaluating potential brownfield sites throughout the Town. This assessment will allow the Town to leverage state & federal brownfields assistance to help get sites better suited for redevelopment.

You are invited to join us for a **Site Tour** of potential brownfield sites, in Eagle, at **3pm**. The Site Tour will be followed by a **Brownfields Workshop** at **5:30pm**. The Workshop will provide an opportunity to learn what a brownfield site is, what assistance programs are available for brownfield site assessment & clean-up, and the potential economic impacts of brownfield site redevelopment.

YOUR PARTICIPATION MATTERS!
